

Formulary Update

July 2021

The following changes to the Adult Medicines Formulary have been agreed during the ADTC or sub-committee meetings since May 2021. Additions and deletions of medicines are based on submitted formulary appeals, new drug assessment requests or formulary section reviews. Changes in preferred brands are based on decisions by Prescribing Management Groups.

ADTC decisions relating to SMC assessments are published in alternate months and can be accessed [here](#)
